

From \$72.50
per day

Australia's First Eating Disorders Conference for Families & Carers

EARLY BIRD REGISTRATION OPEN UNTIL 28 FEBRUARY

- ✚ Presentations from world leading eating disorders experts
- ✚ The latest evidence on treating eating disorders
- ✚ Practical forums to help carers support their relative, friend or loved one with an eating disorder
- ✚ Networking and opportunities to share experiences – what helps?
- ✚ Non-profit event – costs kept as low as possible to make it affordable

Keynote Addresses:

Helping parents help their kids – understanding family based treatment

Professor Daniel Le Grange (Eating Disorders Clinic, University of Chicago Medicine)

Working with carers – a brain based approach to eating disorders

Professor Janet Treasure (Kings College and Maudsley Hospital, London)

Midlife eating disorders – the recovery journey for adults and their partners

Professor Cynthia M. Bulik (Centre of Excellence for Eating Disorders, University of North Carolina)
